WANTED

YOUR PARTICIPATION IN THE HOMETOWN NEWS PROGRAM!

All DCMA employees now have the means to share news about their promotions, awards, achievements and new assignments with their family and friends.

DCMA has partnered with the Army & Air Force Hometown News Service to provide all Agency employees, both military (all services) and civilian, the opportunity to publicize their accomplishments.

The Hometown News Service is headquartered in San Antonio, Texas, and has been in existence for over 40 years. More than 14,000 newspapers, radio and television stations subscribe to the News Service free of charge.

To access a news release form, click on the Hometown News icon on the DCMA home page. Follow the instructions, fill in the information then click to submit the form.

The News Service will use your information to prepare and distribute a tailored news article to participating media organizations in the ZIP codes you provide. Each article generates approximately three published and/or broadcast reports.
