For more information, see www.dcmg.gov/commercial-item-group

The CIG will hold its second Industry Day at the GSA FAST 2020 event in Atlanta, GA on 14 April 2020. This event will deliver a high level overview of commerciality and provide further information for Industry partners who wish to learn more about DoD FAR Part 12 procurements. Attendees can sign up for the Featured Event after registering for GSA FAST 2020. See link below for more information.
