## Benefits of Contract Lifecycle Management Center

### CONTRACT CLOSEOUT

- Warranted Subject Matter Experts in Contract Administration Services with authority to make decision on behalf of the Government including de-obligation of funds.
- Reduce the closeout cycle time enabling timely closeout.
- Reduce the risk of funds canceling and returning Unliquidated Obligation to the Treasury/Services and enabling the use of funds for future appropriations.
- Minimize the Government risk of contingent liability.
- Ensure all invoices are paid.
- Ensure our customers remain compliant with the Prompt Payment Act.
- Champion in streamlining the process to reduce the burden on the industry.
- Assist small contractors with submission of final closeout package.
- Reduce the number of contract files requiring management.

### TERMINATIONS

- Exclusive group of Contracting Officers with Unlimited Warrants authorized to represent the Government on contracts terminated for the convenience of the Government.
- Provide termination planning and execution assistance for complex termination actions; offer individualized and specialized training to Procurement Contracting Officers, Program Managers, and Field Support Teams.
- Maximize return of funding identified as excess through skilled negotiations.
- Disposition at-risk funds via prompt termination settlements, partial payments or de-obligation actions.
- Educate Industry on the termination process prior to and post termination.
- Ensure full fiscal and acquisition law compliance; proven and effective in litigation procedures.
- Minimize termination processing cycle time through continuous communication and proactive termination settlement planning.
