Hometown News Service for DCMA Employee Achievements

Have you been promoted? Received an award? Just returned from overseas? If so, let DCMA Public Affairs help you get the word out to your family and friends back home about the great work that you do.

DCMA has teamed with the Army and Air Force Hometown News Service, which has agreed to process news release forms submitted by all DCMA personnel, both civilian and military (all services, active or reserve). The Hometown News Service distributes hundreds of articles every day to news organizations all over the country with

information that highlights the accomplishments of Department of Defense employees.

To submit a news item, fill out the Hometown News Service release form. Please remember to include ZIP codes as the media database relies on this information.

Print the completed form and fax it to the DCMA Congressional and Public Affairs Office. Your news release will be forwarded to the Hometown News Service center.

If you would like to submit a photo, please e-mail a JPEG attachment to The DCMA Congressional and Public Affairs Office.
